Elite IB Tutors

IBDP2 Easter Revision Courses, London

10th – 16th April, 2017

About the IBDP2 Easter Revision Courses

The IB Diploma Programme is both hugely challenging and immensely rewarding. It is currently considered the preeminent pre-university course by the world's most prestigious academic institutions. It nurtures students, encouraging them to become lifelong learners.

Students who attend range from those who are extremely confident, and simply need a little boost to give themselves the best possible chance of a 7, to those who feel they are really struggling and need a complete re-hash of the entire syllabus. We tailor the course according to each student's needs, and our small group sizes – limited to six students per class – means they are incredibly personal, and match every student's needs. Naturally, students are split by level (HL/SL/Studies). Course leaders are selected from EIB's best tutors, all of whom are IB graduates or teachers, and who will, over the period of the Course, provide intensive syllabus revision, exam technique, and past paper practice.

Who We Are

Elite IB Tutors is a team of experienced tutors and educational consultants who strive to help MYP and Diploma Programme students to reach their full potential. Many of our tutors have undertaken the IB themselves, with great success, and all our tutors are highly personable and have extensive tutoring experience. As a team, we all share the same belief that the IBDP is the most academically thorough diploma currently available, and is best placed to equip students for universities throughout the world. We have received hugely positive feedback on our courses over the years and we look forward to welcoming this year's cohort.

How are the IBDP2 Easter Revision Courses organised?

The IBDP2 Easter Revision Courses run over the period of 5 days, with over 6 contact hours each day, with each subject-specific course being run by an IB subject expert

- Classes are limited to a maximum of five students
- Classes are split based on level (HL/SL) and predicted grades
- Two full days of revision per subject results in intensive & comprehensive learning
- Mid April date ideal platform to revise in time for the final IB exams

The Courses are focusing on

- Short and intense syllabus revision
- Exam technique and past paper practice
- Whilst the Courses are also
- Tailored individually - students are asked prior to the Courses which areas they wish to focus on
- Run by experienced IB graduates & teachers
- Followed up - course feedback & tailored study tips provided

IBDP2 Easter Revision Courses Tutors

Tutors for our Easter Courses are selected from our most engaging and experienced tutors, and who have received the most exemplary feedback over the last academic year. In some instances, we have tutors returning to teach on their 6th EIB Course this year, which we are very proud of! All Revision Course students are asked to provide course feedback, which allows us to ensure we are constantly helping tutors improve their methods, and EIB to improve the general course structure.

Please see below for short biographies of, and testimonials for, some of EIB's excellent tutors:

Charlotte

Biology, Chemistry

Charlotte attended La Châtaigneraie where she passed her IGCSEs and IB with flying colours, progressing to a BSc Hons Biochemistry and MSc in Molecular Biology and Pathology of Viruses from Imperial College London. Whilst leading Elite IB's operations in Switzerland, Charlotte is also studying Graduate Medicine at the highly prestigious St. George's.

"Charlotte is really awesome! She has helped me tremendously in Biology HL and Chemistry HL. Her knowledge of the syllabus and tips for exams are really great!" (Adrien, Revision Courses & private tuition, 2015)

Rafael

Maths, Physics

Rafael is currently completing his MSci Mathematics at Imperial College, London and scored an outstanding 42 in his IB at the United World College Maastricht, with a 7 in Higher Level Mathematics and an A in his Mathematics-based Extended Essay. He is currently the President of the Mathematical Society at Imperial College and has tutored students for a extensively in both Physics and Mathematics, including over 300 hours of guidance to EIB students over three years of support. His previous experience includes being a guest speaker at the Imperial College Mathematics Colloquium and also delivering a Master Class for the Royal Institution.

"Rafael explained rather complicated concepts in a clear, exam-focused way." (Jordan, IBDP2 Easter Revision Course, London 2016)

Oscar
History

Oscar holds an MA Warfare in the Modern World (Distinction), from King's College London, and a BA Classical Archaeology & Ancient History from the highly prestigious University of Oxford. He is also a qualified teacher, holding a PGCE (History) and CELTA, who taught History & TOK in IB schools for five years, for students of the MYP and DP. Oscar is an outstanding tutor not only of IB History and TOK, but also as a university applications mentor; Oscar's students have successfully gone on to further study at top international institutions, including various Oxbridge colleges.

"Oscar explained the way I had to structure an answer to maximize my marks, and showed me what a good answer looked like." (George, IBDP2 Easter Revision Course 2016)

Jamie
English

Jamie holds a BA English Literature from the highly prestigious University of Cambridge, where he was awarded First Class Honours in both his final dissertations, and where he won the James Baddeley Poole travel Award for independent research. This follows from his exceptional performance in his IB, where he was awarded 44 points for subjects including HL English, Economics, History, and French (all 7s), and was the three-time recipient of academic honours. Jamie is a highly experienced tutor, who has a dynamic teaching style, and who encourages collaboration from his students, in order to make his lessons a more enriching and enjoyable experience.

"Jamie is a very good and thorough teacher. Warmest thank you for your work and contribution to my daughter's education" (Sasha, private tuition, 2016)

Location & Accommodation

Location:

Elite IB Tutors are pleased to continue our partnership with Francis Holland School, where we have held our courses for many years with great success at Carmel Hall.

Francis Holland is centrally located, cast between the Saatchi Gallery and the gardens of Buckingham Palace, and attendees should direct themselves to:

Carmel Hall, 39 Graham Terrace,
London, SW1W 8JF

If travelling by public transport, Francis Holland is located nearest to Sloane Square tube station and Victoria train station. Students are encouraged to enjoy Eaton Square Gardens, the Saatchi Gallery, and the many fine restaurants around Sloane Square after the course and during lunches, all a short walk from Francis Holland.

Accommodation:

Students travelling from further afield are encouraged to contact us at contact@eliteib.co.uk to discuss accommodation arrangements, on which we are more than happy to provide guidance.
